Sir:

This is a request for acknowledgment of the claim for priority in connection with the above-captioned application.

In this regard, a certified copy of Swedish Application Number 0202432-1, filed 15 August 2002, was received by the International Bureau of WIPO in connection with International Application Number PCT/SE03/01282 on 27 August 2003. A copy of the Notification Concerning Submission or Transmittal of Priority Documents (PCT/IB/304) is attached.

However, the Notice of Allowability issued in the above application indicates that only "some" of the priority documents have been received. Inasmuch as the above-identified application is a nationalization of PCT/SE03/01282, the requirement for submission of all certified copies of priority documents has been met.
